Fire destroys Paradise Hotel on Sunday

HALIBURTON — At 3 a.m. Sunday morning the Paradise Hotel north of Haliburton on Hwy. 121 burnt to the ground. One of the oldest hotel's in the county, being built during the second world war, all that remains now are the ashes shown above.

Michael C. Doherty, owner of the hotel told police he heard the fire alarm go off about 2:45 a.m. and noticed the fire and smoke near the stage in the hotel. He got his family out safely with just the clothes on their back, and then called the Dysart Fire Department. The building and all its contents burnt to the ground, including about \$1000 in cash in May Doherty's purse plus the night's receipts.

Mr. Doherty, his wife Mary and their three children, Mark 18, Michael Jr. 9, and John 8 escaped a fiery death mainly due to the fact that Mr. Doherty was still up at the time the fire broke out. "If I had been in bed I don't know whether we would be alive today," he told The Express on Monday. I am a very sound sleeper and especially on Saturday evening after we close, it only takes me seconds to fall asleep once I'm in bed.

The fire appeared to have started around the stage area and quickly spread to the far end of the hotel where the Doherty quarters are located. "I tried to retrieve my wife's purse with close to a \$1000 in it, but the smoke was thick and only about six inches off the floor" Mr. Doherty said. We have lost everything, but the neighbours and friends we have here in Haliburton have been just fantastic, bringing clothing, food and even money to help us out, we are very grateful.

Midnight madness sale comes to Haliburton food store

HALIBURTON — A special food and produce midnight madness sale begins at Easton's, Haliburton Red & White this Wednesday evening.

The sale is an expression of gratitude to Haliburton and area residents who have supported Easton's since 1959 when they started the food store in the village.

Owner-operator Michael Easton told The Express this week that his store is also open on Sundays from 12 to 5 p.m. for the summer months.

Customers of the Haliburton food store can take advantage of savings of 5% on all merchandise (except tobacco and cigarettes) and 10% if they show up in night attire from 11 p.m. 'til midnight.

This is the first midnight sale for Easton's and may well become a yearly event. See inside for some of the many items now on sale.

Farmers market will open Saturday at Gelert

GELERT — Members of the Haliburton County Livestock Producers Association were informed by letter last week that the Haliburton County "Farmers' Market" is ready to open. Opening day will be held on Saturday, June 30th and it will continue each Saturday until September 29th.

The location of the market is at Gelert Gardens Restaurant in Gelert. It will be open at 9:30 am and those wishing to participate should arrive shortly

There is no estimate of damage at this time and when asked if he intended to rebuild, Mr. Doherty said that he didn't know. "We will have to wait and see what happens after the insurance is settled and how we feel, he said."

before this time in order to set up.

The HCLPA hope that many members will take part in the weekly market to make it a success. Produce available covers a wide range of items such as: maple syrup, honey, pets, live rabbits, chickens, baking, vegetables, fruits, fence rails, manure for gardens, etc.

The setup at the Gardens is very simple but there are a few guidelines to follow: products being sold are to be produced on Haliburton county farms; charge of \$1.00 for each vendor who will also be responsible for cleaning up his area and the Association has the right to restrict those who do not tidy up

Anyone wishing more information may call Bud Kirchner 754-2530, Maureen Warburton 457-1299 or Bill Moore 488-2613.

Break-in at Rockcliffe Hotel Petawawa man charged

MINDEN — Sometime between the hours of 1 am and 7 am last Wednesday, the Rockcliffe Hotel in Minden was broken into by entering one of the fire exit doors. An electronic games machine was broken into causing \$20 damage and about \$400 in quarters were taken from the machine.

Donald Thomas Gilchrist 38, of Petawawa, has been charged by police with break, enter and theft. Gilchrist was arrested on June 21st and about \$322 worth of quarters were recovered.

Gilchrist will appear in Minden court on June 26th. Investigating the break-in were Constables Bill Clendenning and Barry Connelly of the Minden Detachment.

Dysart firemen were at the scene most of Sunday and again on Monday, as timbers in the floor were still burning. Investigation into how the fire started is being handled by Minden OPP Constable Bob Wood.

Mary Windover at Over 70's

MINDEN — Last Tuesday evening at the Hyland Crest Senior Citizens Home, more than 200 residents and guests helped celebrate the 9th annual Over 70's dinner. Among the many guests was Mrs. Mary Windover (above) who has lived in Minden for most of her 83 years, except for a brief five year stay in Lindsay.

Old Age pensions up July 1

Basic old age pensions will rise to \$174.82 from \$170.39 on July 1st. Guaranteed income supplements and spouse allowances will also rise July 1st, based on the cost of living, the health and welfare department announced last week.

The maximum supplements for a single or married pensioners with limited incomes, whose spouses are not pensioners and do not receive a spouse allowance, will increase to \$143.53 from \$139.89. That will give people receiving both the pension and supplement monthly incomes of \$318.35.

The maximum supplement for a married couple, both pensioners will increase to \$119.34 each from \$116.32. When added to the basic pensions it will give them \$294.16 a month each, or 588.32 a couple.

The maximum spouse's allowance will rise to \$294.16 from 286.71. The allowance is an amount equivalent to the basic pension and the maximum supplement at the married rate and is paid to people aged 60-65 who are married to old-age security pensioners and meet residence requirements.

Entitlement to an allowance and the amount paid each month is based on annual income.

Appeal for organ donations

A series of public service messages to inform people of the need for donations of human organs and tissues has been launched by the Ministry of the Solicitor General R. Roy McMurtry.

"More medical transplants than ever are being performed today, thanks to the Ontario Organ Retrieval program," said McMurtry. "More organs and tissues however, are urgently required for use in transplants and medical research to help relieve suffering and prevent needless deaths.

Donating one's organs after death, so that others might live is one of the most selfless of acts, he said. The best way for people to give consent for donation is to fill in the donor card on the back of every driver's license and to carry it with them at all times in a wallet or purse, said Dr. H. B. Cotnam, Chief Coroner of Ontario. Non-drivers can obtain a donor card by contacting the coroner's office.

"We hope more members of the public will become aware of the great need for these donations," said Dr. Cotnam.

AHM Council meeting

On Wednesday, June 13 at the Minden Municipal building, the 17th meeting of the Council for Anson, Hindon and Minden was held. The following were in attendance: Reeve S. G. Nesbitt, deputy-revee Doug Pritchard, councillors Stuart Brandon, Len Lonsberry, Lyle McKnight, Bylaw officer, Dick Schell, road superintendent, Earle Kent and clerk-treasurer, Elinor Burke.

—Be it resolved that we tender in conjunction with the Provisional County of Haliburton to supply 100 tons of salt and screen 3,000 yards of winter sand for 1979-80. Carried.

—Be it resolved that we regretfully accept the resignation of Ron J. Arbuthnot as deputy fire chief of the Minden Fire Department. Carried.

—Be it resolved that council approve the proposal to establish a Dixie Lee take Out Food outlet on Hwy. 35 providing that said building be required to connect to the public water and sewer system at the property owners expense, at the earliest possible date. Such hookups shall be completed prior to opening for business and production of an agreement relative to easements for sewer connections shall be conditional upon the issuance of the building permit.

—Be it resolved that we accept the tender of Miller Paving for prime and surface treatment of about 3 miles of township roads and streets for a total of \$45000. Carried.

—Be it resolved that council has no objections to Harold and Eldon Deacon operating a public bus service for the purpose of Minden swimming lessons.

—Be it resolved that the clerk be directed to write a letter to the Haliburton County Librarian requesting that County Workshops for Librarians be re-established. Carried.

—Be it resolved that council agrees to allow the Minden Minor Hockey to use the municipal parking area for a bake sale on June 30th providing the lot is left in a clean and tidy condition. Carried.

—Be it resolved that council approves Otto Homestead's application for a building permit to construct a four unit motel on part of Lot 4, con. A, Township of Minden subject to the following conditions:

1. The proposed motel unit be required to connect to the municipal water system immediately and existing restaurant within nine months, using separate connections for each building.

2. Before further additions would be allowed to either the restaurant or motel, consideration must be given to a septic sewer tile bed or municipal sewer rather than holding tanks.

Organizers of canoe race now seek competitors

The North Bay-Mattawa Conservation Authority invites canoeists to enter Ontario's longest one-day canoe race.

The Mattawa River Canoe race will run this year on Sunday, July 29th and is 40 miles in length, scenic and challenging. In 1978, 106 paddlers from across the province took part in the race. The record finishing time is six hours, seven minutes, eight seconds.

This year's race will have five classes: expert, advanced amateur, amateur, mixed and novice. The specifications are based on those of the Ontario Marathon Canoe Racing Association.

The race follows the route of the voyageurs. It begins at the Lands and Forests beach on Trout Lake in North Bay and ends at Explorer's Point at the mouth of the Mattawa River in the town of Mattawa. The course includes exciting rapids, portages and lakes.

The Nugget trophy will be presented to the canoeists with the fastest finishing time. There will be trophies and prizes for other top finishers.

This challenging race down the scenic and historic Mattawa River is expected to attract canoeists from across the province. For entry forms and further information on the race, please contact the North Bay-Mattawa Conservation Authority, Box 1215, North Bay, Ontario.

ers rather than holding tanks.

3. No demand be made upon the municipality of Anson, Hindon and Minden for sewer services in the future. Such services shall be installed at the property owners expense if public sewer services are required.

4. No future change in use or further additions to buildings on property unless approved by council by resolution and all necessary approvals received prior to municipal approval being granted. Carried.

1979 MINDEN SWIMMING PROGRAM

Registration for the above classes will be held at the MINDEN DOCKS on Saturday, June 16, 1979 from 12:00 noon to 3 p.m. AND Saturday, June 30, 1979 from 12 noon to 3 p.m.

REGISTRATION FEE:

\$10 per child; \$25 family of 3 or more (includes bussing)

Class groupings, times and bus schedules will be available at Registration. Classes will be held at Twelve Mile Lake Beach for the four weeks in July, 1979.

Ontario introduces new symbolized pedestrian traffic sign

TORONTO — A new symbolized traffic sign alerting motorists to pedestrians will soon be seen along many rural highways, Minister of Transportation and Communications Minister James Snow said.

"The new sign will depict a black walking figure on a yellow reflectorized background with a black border," said the Minister.

"Replacing older pedestrian warning signs, the new ones will be phased in as required over the coming months with the majority located on northern routes."

Field observations have indicated accidents too often result when pedestrians cross or walk along highways in rural or low density residential areas.

"It is our hope these signs, located in advance of such areas now, will reduce considerably the number of traffic fatalities," said Snow.

"It is alarming how many people are killed on our highways and how many of these deaths could be prevented if pedestrians and drivers used more common

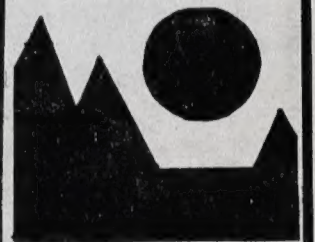

sense," said Snow.

"It's a two-way situation. Drivers should always be aware that pedestrians might be walking along the roadway and pedestrians must be on the lookout for motorists."

Pedestrian fatalities on Ontario highways in 1978 increased 12.7 per cent over the previous year from 252 to 284. And 1977 statistics showed that the primary causes included crossing through moving traffic, running into the roadway and walking on the wrong side of the road.

Mmmm Delicious . . . Strawberry Jam

It's strawberry time in Ontario! For many that means making up batches of strawberry jam for a special treat. Food specialists at the Ontario Ministry of Agriculture and Food have a favorite recipe - Strawberry Jam Ontario Style. Because the strawberry season is short,

food specialists suggest freezing the strawberries if you don't have the time now to make the jam. Choose firm, fully ripe strawberries. Sort, rinse well, drain, hull and freeze in the quantities called for in this jam recipe, 12 cups, or in the amount called for in your favourite recipe. Don't add sugar at this time. When ready to make jam, thaw strawberries until only a few ice crystals remain. Then follow the jam recipe, adding sugar as called for.

Strawberry Jam Ontario Style

4 lb. fresh Ontario Strawberries (12 cups prepared). 4 lb. granulated sugar (9 cups). Put the thawed strawberries into a pot over very gentle heat. Press the berries against the side of the pot with a wooden spoon to extract the juice. Add the sugar slowly and stir until it is dissolved. Bring to a fast rolling boil and boil for exactly 10 minutes, stirring frequently. Let jam stand for about five minutes, skim and stir so that the berries will be evenly dispersed through the jam, then pour into hot, sterilized jars. Cover at once with 1/8 inch hot paraffin. Cool, then cover with tight lids. Makes about 6 pints.

The featured event of ancient Greek games at Olympia was a brutal boxing-wrestling match called the pankration, meaning "all-strength," which was fought until surrender or death.

OPP Expect Certificate Backlog

Now is the time to think about getting a firearms acquisition certificate if you are going to be buying or borrowing a gun for the hunting season.

As it is illegal for anyone to sell or loan a firearm to a person who does not have the FAC, there could be some disappointed hunters in September.

"The number of applications for firearms acquisition certificates up to the present time is much lower than expected," says Ontario Provincial Police staff sergeant Don Jones of the chief provincial firearms office. "We're a little bit afraid of having a backlog later on."

OPP and municipal police forces are expecting a flood of application forms before the hunting season starts. Getting a certificate now could save a lot of delay later on in the year.

Many hunters are getting the wrong impression of the legislation. "The key word is 'acquire', Jones went on to say. "So even if you borrow a gun any type of gun, you still need a firearms acquisition certificate."

An FAC is valid for five years and allows the holder to acquire any number of guns.

Mainstream Canada

It's Birthday Time Again

By W. Roger Worth

Like carnival barkers flogging a sideshow, Ottawa financed promoters have fanned out across the country cajoling national organizations and the country's media to jump on the "Canada's Birthday" bandwagon.

"The biggest celebration this country has seen in a decade," predicts a press release from the organizers. Among the events: concerts, carnivals, clambakes, fairs, folkfests, flag raisings, plays, pageants, presentations, races, rallies and rodeos.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

Someone in the nation's capital, it seems, wants Canadians to be a lot more like their flag-waving American neighbors who pull out all the stops

for that country's July 4 holiday.

Promoting togetherness and understanding at the national level is an excellent idea, considering the seemingly endless series of regional, cultural and political squabbles upsetting Canadians.

Still, one wonders whether heavy spending on such celebrations is the solution.

This year, for example, Ottawa is kicking in \$3.8 million to promote the cause. The Council for Canadian Unity gets \$812,000 and the Canadian Folk Arts Council another \$443,000.

Even the groups involved in promoting the celebration have apparently been fighting over the available funds.

While there will probably be less soft-sell (and perhaps unnecessary) advertising in 1979, the amount of cash reserved for national — as opposed to local — promotion is extremely high.

The organizers are justifiably big believers in numbers and statistics. They point out that more than 1,500 communities will participate in this year's celebration, up from 900 in 1978.

The major question, though, is whether the millions now

being spent nationally would not achieve more "bang for the buck" if the funds were passed directly to local volunteer organizations.

Canada's new Prime Minister Joe Clark has stressed that the real action in the country is at the local level. He also believes strongly in the worth of volunteer activity by Canadians.

Strawberries Have A Rosy Future

GUELPH—A longer strawberry season will be the luscious reward of a plant breeding program at the University of Guelph. Prof. W.D. Evans, Department of Horticultural Science, is developing commercial strawberry hybrids to meet changing market conditions and production patterns.

"We're looking for strawberries adaptable to mechanical harvesting and hulling," says Prof. Evans. "Firm, good quality berries are needed for the fresh trade and for processing. We want to extend the picking season in Ontario to compete against California strawberries, and to meet export demand."

To achieve this aim, the breeding program introduces characteristics of wild species into regular cultivated strawberries. Upright flower stalks and uniform ripening are some desirable traits combined with present varieties.

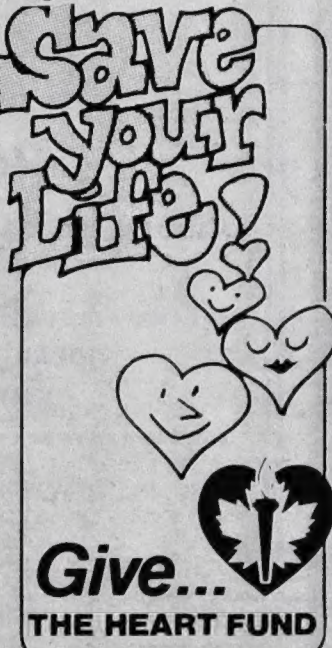

Prof. Evans notes that the crosses between wild and cultivated species and resulting in hybrids with more vigor and drought resistance. Some experimental breeding stocks have proven to be good parents for passing on flavor, size, color, firmness, ease of hulling, yield and pest resistance.

For a combination of these traits, genetic material has been gathered from species in Finland, the Himalayan mountains, southern China and central Europe. About twelve years is spent developing and testing a hybrid for commercial use.

However, with the continued financial support of the Ontario Ministry of Agriculture and Food, Prof. Evans says that research is producing potential varieties more rapidly than in the past.

For example, two varieties of ever-bearing strawberries

Shooting stars are meteors usually no bigger than a pebble or grain of sand. Seven or eight may flash across a wide horizon during any hour of a clear night.

By pump priming community celebrations, making extra money available to a broader range of groups (rather than spending the cash on high priced public relations), Ottawa just might get a lot more Canadians involved.

But that's a suggestion for 1980. For this year, let's settle for a Happy 112th birthday.

Hole In One at Pinestone Golf and Country Club

HALIBURTON — The weather wasn't the greatest but the golfing was super, especially for Gordon Cation of Willowdale on Saturday. Gord was golfing with three friends at Pinestone Inn on Saturday when he pulled out

a six iron on the 160 yard third hole and aced it. This was Gord's first hole-in-one and he won the Medley's Pizza hole in one trophy for his efforts. Witnesses were left to right, Don Blizzard, John Murray, Gord, Paul Bester and Guy Weeks.

Haliburton still unbeaten Minden moves in second

Last Monday the Minden Homestead team travelled to West Guilford to meet them for the first time this season. At the end of four innings West Guilford had a 7-0 lead. Then in the top of the sixth Minden finally got their timing right for a seven run inning to tie up the game.

In the bottom of the sixth inning West Guilford got there runs but that was all they could get as Minden scored six runs in the 7th to win the game 13-10. Strong fielding by Lyn Winans gave the Minden ladies the lift they needed.

Nancy Brinks pitched another strong game for Guilford but Patti Lou Vasey came up strong to get her fourth win of the season.

Tuesday night, Carnarvon was in Minden to take on the Minden team. Minden had their new ball sweaters and this team now has a new name. "Jack's Brats" so Andy's Angels will have to watch out now.

At the end of the first inning Minden went ahead 6-5 and it was close all through the game with Minden coming up on top 21-15.

Patty Vasey, Wendy Gough and Joan Paul led the batting for Minden while Rose Barry had a good night for Carnarvon. Anne Hewson was the winner while Belinda Brown took the loss.

Wednesday night Haliburton played in Wilberforce to win, keeping their unbeaten string going. With great pitching from Nancy Maughan and the whole team playing fine defensive they came up with a 18-0 win.

In Lochlin on Wednesday, Snowdon hosted West Guilford. Snowdon put up a better fight than last game 32-16. Audrey Vick losing pitcher. Thursday 9-8 for Haliburton over West Guilford. Nancy Maughan winner, Nancy Brinks loser.

Thinking Slim

BY JEAN NIDETCH

Monica, a young teen-ager with a weight problem, joined a local weight control group a few weeks ago and reaped a totally unexpected reward.

"I have an honorary grandmother," she says, beaming. "Both my grand-

mothers passed away by the time I was born, so I've never had one, but Mrs. Samson acts just like a real one."

Mrs. Samson, a 70-ish "young" woman with a bit of a weight problem, had also joined that same group. "My doctor told me it would be a good idea if I took off a few

pounds and, since I like people and wanted the motivation and support that comes from one group with one goal, I joined Weight Watchers.

"My very first meeting, I met Monica and we became fast friends. You know, my son and daughter both live out of state and I don't get to see my grandchildren very often. But Monica and I are doing a fine job of filling in for each other!"

They found they had at least one other thing in common! "I used to eat blueberry muffins for lunch, with lots of butter, and Monica used to eat them before going to bed," Mrs. Samson says. "Now both of us are learning to eat right at lunch and what kind of nighttime snacks we can have without guilt or gain!"

And they go to the zoo and museums together. "It's wonderful to have such exuberant company on a Sunday afternoon," Mrs. Samson says. And, adds Monica, "Mrs. Samson knows so much about art

and sculpture, it's like getting a whole education without having to do homework."

Are you a senior citizen with some extra pounds you'd be better off without? That's natural, you know. The older we get, the less active we are and, the less energy we expend, the more we tend to weigh — if we retain the same eating habits. Or develop bad new ones.

A fellow who says you have good sense is a man who knows what he's talking about.

Six people injured in five area collisions, \$11,800 in damages

MINDEN — OPP report the following activity for the period of June 18-24. Five reportable motor vehicle collisions resulted in six people receiving injuries, one seriously. There was also \$11,800 in damages and two people were charged with traffic act violations.

Brady Lake Woman suffers major injury

On Saturday evening at about 11:47 pm a single car collision resulted in a Brady Lake woman being treated in Lindsay hospital with a broken leg and a Minden man suffering minor injuries.

Bruce E. Dudman 58, of Minden was northbound on the Bobcaygeon Road, when his car struck a tree. A passenger in the car, Joyce Austin 52, of Brady Lake went to step out when she fell down an embankment breaking her leg. Dudman tried to assist her and fell striking his face on a tree. Dudman has been charged by PC Dunham with impaired driving. Damage, \$2000.

Charges pending in Poverty Bay Rd. collision

Early Saturday afternoon a two vehicle collision on Poverty Bay road in Minden township resulted in a Minden woman receiving minor injuries.

Brian Michael DeVitt 18 of Mississauga was southbound on the road and Shirley A. Davis 39 of RR 1, Minden was northbound in a pickup truck and they collided on a curve. Davis was treated for minor injuries at Minden hospital. Damages to the two vehicles has been set at \$5500 by PC Dunham.

Lakefield man charged with careless driving

LUTTERWORTH — About 1:30 am on Saturday morning a single car accident resulted in \$1000 damage to a 1972 car.

William R. Wellstood 19, of Lakefield was southbound on Hwy. 35 when he lost control of his car and entered the west ditch striking a rock face. Wellstood received minor injuries in the mishap and was

treated in Minden.

2 injured in single car collision

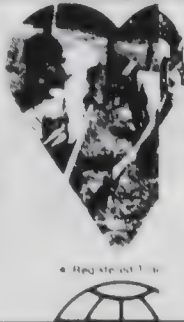

Ronald G. Barber 36, of Toronto and his passenger Shirley M. Wise 35, of Agincourt both received injuries as a result of a collision on Cty. Rd 3 early Tuesday evening.

Barber was southbound on Cty. Rd 3 rounding a curve, entered the east ditch, colliding with a mud bank and rolling over. Both Barber and Wise were treated for their injuries at Haliburton. Damages were set at \$1500 by PC Bob Wood.

Minden Red Cross in Bazaar

The Minden Branch of the Ontario Red Cross will be participating in the annual Red Cross bazaar being held in the Lindsay Armories on Saturday, July 14th.

Through the A.I.D. Division (Aid-International and Domestic) of our branch, many ladies in the area have been using their spare time for the past several months to knit and crochet articles which will be offered for sale.

Beautiful baby sets, carriage covers, children's sweaters, ladies' slippers and golf sockettes are among the items to be displayed. A number of other branches will also be involved in this bazaar and it is hoped that a good representation from the Minden area will be able to attend the sale which will be from 10 am to 4 pm on the 14th.

All proceeds from this sale will go to Red Cross International for aid in disasters around the world.

Charges pending, boat mishap

MINDEN — An afternoon of water skiing came to an abrupt halt on Sunday when two boats collided on Little Elsie Lake in Minden Township.

Brian Wayne Hewitt 2, of Bay Ridges, was turning his 16' fibreglass boat around to head back into Horseshoe Lake, towing a water skier when he collided with another boat driven by Rosemary Sodon of Kingston and David John Vrooman of Stella, Ont.

Hewitt failed to see the 12' aluminum boat as he made his turn in time to avoid the collision. The two people in the small boat waved and shouted and then jumped overboard as the larger boat hit and went over the top of their small boat.

Hewitt's boat with a 70 hp motor on the back carried three passengers as well as towing the skier. Damages were not available at press time however OPP Constable Brian Dunham said charges were pending.

Vet service questioned, area farmers to meet

The veterinarian services committee of the Haliburton County Livestock Producers Association will be holding a meeting sometime this week to discuss recent problems involving vet services in the county.

The main topic will be a letter which appeared in last week's Echo concerning a complaint by Sinc Nesbitt.

answering machine in his telephone as well.

"I've been really trying to make myself available," said Dr. VanderWekken. "And I certainly am available on weekends." Routine work, he explained, such as blood tests and check-ups are done during this time, and he receives emergency calls "if I can help."

Dr. Bennett's hours will be "anytime - I can't really have set hours if someone needs me." He will, however, be out of the county on June 26 and 27.

Local meat cutter returns to Welch's Country Market

Bradley Redner of Maple Lake is back at Welch's Country Market as a cutter in the meat department. Mr. Redner had previously been at Welch's for many years and looks forward to meeting all his former customers once again.

Roller skating popular 425 take part each week
MINDEN — The recreation committee held its 6th meeting of the year last Thursday evening and the following business took place.

Be it resolved that the lessee be required to pay all costs of the bar such as ice, permit, bartender, cups, mix, liquor and beer from the gross receipt and this committee shall receive 30 percent of the net profits in regards to the disco dancing set for June 30, July 28, August 4 and 25th in the arena. Carried.

A discussion was held relative to constructing a walkway down the steep bank to the ball diamond. McKnight and Nicholls agreed to investigate this possibility.

Be it resolved that this committee request council to apply calcium to the road servicing the diamond as soon as possible due to excessive dust conditions. Carried.

That the Ministry of Natural Resources be permitted to host a ball tournament on July 28 with July 29 as a rain date and Minden baseball diamond be reserved for that purpose, providing such arrangements does not conflict with any games previously set by the ball teams. Carried.

Phil Nicholls advised that roller skating has proven to be very popular with an average of 125 participating on Monday and Wednesday and 170 on Friday nights. More skates are required and he confirmed that they should be available by mid July.

The English novelist and poet Rudyard Kipling once described San Francisco as "a mad city — inhabited for the most part by perfectly insane people whose women are of a remarkable beauty."

Minden W.I. June meeting

Last Wednesday at the Minden United Church a pot luck luncheon was held at 12.30. Members and guests enjoyed a buffet and president Rheta Brown welcomed everyone with a brief poem. Five new members joined this week and they are Edna Trumbull, Marcella Wright, Verna McDonald, Yvonne Beaucage and Carol Emmerson.

Mrs. Lyman Cox gave her report of District Annual at Fenelon Falls last month and gave Mrs. Hulbig the list of officers. Mrs. Kernohan then made a presentation of a gift to Mrs. Cox in appreciation of her three years as president. Mary then responded with her thanks stating that she had enjoyed her office.

Mrs. Sears then presented Mrs. Ewing with a parting gift as Thelma has been so agreeable with her talents while she was a member and will be missed by all when she leaves for St. Catharines.

The fall bus trip was discussed and the date is Sept. 26th. Committee members include Rheta Brown, Mary Cox and Irene Moore. The next meeting will be on Sept. 19th at the Orange Lodge Hall at 2 pm. Winner of the secret gift draw was Marcella Wright.

Mrs. M. Sears, PRO
